A Chat With The Editor

TRAVELING is one of the large industries of this era. Millions of people hit the road as soon as the warm weather sets in. They want to get away from their old surroundings: to see—to learn how people live—to meet old and new friends.

In this era of the automobile, trains, buses, boats and fast flying air liners, we have an assortment of transportation which will take one to any place that they might wish to go. With all of these transportation facilities at hand, modern travel has brought thousands of people out of their homes to view the wonders of the world.

Thousands and thousands of dollars are spent each year in the various modes of transportation. Money spent like this brings added revenue to trades people throughout the country.

The white traveler for years has had no difficulty in getting accommodations, but with the Negro it has been different. He before the advent of Negro Travel Guides has had to depend on word of mouth and then sometimes accommodations weren't available. But now a days things are different—he has his own travel guide, that he can depend on for all the information that he wants and with a

selection. Hence these guides have made traveling more popular and without running into embarrassing situations.

Since 1936, THE GREEN BOOK has been published yearly. A few years after its publication, THE GREEN BOOK was recognized as the official Negro Travel Guide by the United States Travel Bureau, a part of the Department of Commerce, which bureau has been closed, due to the lack of funds. By being such an important piece of literature, white business has also recognized its value and it is now in use by the Esso Standard Oil Co., The American Automobile Assn. and its affiliate automobile clubs throughout the country, other automobile clubs, air lines, travel bureaus, travelers aid, libraries and thousands of subscribers.

Hence we have filled one of our life's ambitions, to give the Negro a travel guide that will be of service to him, by this method we have established ourselves in the minds of the traveling public. THE GREEN BOOK is known from coast to coast as the source of information for travel and vacations.

EXPLANATION

No travel Guide is perfect! The changing conditions as all know, contribute to this condition, particularly in the United States.

We have given you a selection of listings that you can choose from, under no circumstances do these listings imply that the place is recommended by the publisher nor by firms or places from which they are distributed.

The listings in this Guide are carefully checked and, despite this, past experiences have shown that our minute inspection had failed to notice errors which would be an inconvenience to the traveler. Therefore, at this point may we emphasize that these listings are printed just as they are presented to us and we would like your cooperation and understanding, that the publishers are not responsible for miscalculations or errors after this check has been made.

In order that you won't find any difficulty in finding the kind of business that you are looking for, we have placed the listings under their proper classification in cities and towns.

We appreciate letters from you, our patrons, donating advice and addresses of places not listed herein, that would be in accord with our level. We also welcome adverse criticism, in that, it might improve our standards, and, in the end, afford more comfortable conditions for you and others.

This Guide Book is not sold on newsstands but in bookstores. They make appreciative gifts to friends and neighbors. Inasmuch as the sale of these Guide Books depend mostly upon the friend-to-friend oral advertising system, it would be particularly interesting if more of our patrons would pass the word along concerning our "Green Book."

For further information concerning this matter you may contact our agents or the publishers: Victor H. Green & Co., 200 West 135th St., Room 215A, New York 30, N. Y.

Radio Personalities—On The Air

In order to assure our readers the maximum in after midnight radio programs, the pleasure is ours in inviting you to tune in Big Joe's Happiness Exchange, on W.M.G.M., New York, 1050 on the dial, or your local radio station, from midnight to 2 A.M., seven nights weekly.

"I don't wan to be rich . . .
I can't be good looking" . . .

"All I want to be is happy," says Big Joe; Because "Somebody Cares About You."

JOE ROSENFIELD, JR.

Executive Director and Treasurer, Big Joe's Happiness Exchange Foundation

"BIG JOE"

One of the things our founding fathers considered important to this nation's welfare was the "pursuit of happiness."

Happiness is an estate that every human heart seeks to attain but, unfortunately, most of us attempt to pursue it in a circle and like a squirrel in a cage we don't get anywhere.

A few years ago, a New Orleans disk jockey was unhappy. He thought everything and everybody but himself was wrong. He tried to find happiness in a bottle. The harder he tried the further he found himself from his objective.

Some of his friends who had bought happiness by the same route and found that it led up a blind alley, talked his problem over with him and urged him to join the organization known as "Alcoholics Anonymous."

Through the organization he learned the importance of helping others as a means of helping yourself. He began working at it in earnest. He found that for the first time in his life he was really happy. A man he had pulled out of the gutter and put on his feet came to him and with tears in his eyes, tried to thank him for what he had done. "Forget it," he said, "I'm the guy who should be doing the thanking; the privilege of helping you gave me more happiness than you'll ever know." It was an even exchange.

That was the beginning of "**Big Joe's Happiness Exchange Foundation**," a non-profit charitable organization that has helped thousands of people in hundreds of ways. Joe Rosenfield, Jr. inaugurated a radio program designed to foster the exchange of happiness.

He invited listeners to tell him

their troubles and offered to do what he could to help solve them. Letters and phone calls told of an avalanche of unhappiness. Friends became interested in what Joe was trying to do. They volunteered to investigate cases, assist him for the "fun of it."

Wheel-chairs and crutches seemed to develop out of thin air, books and stamps came for veterans and shut-ins, food for the hungry, clothes for the naked, radios and phonographs, toys and theatre tickets, "Big Joe" became one of the best loved men in New Orleans.

Then the programs were moved to New York where his field was tremendously broadened. It developed from a radio program to a foundation. Others wanted to get in on the act and would sit in on Joe's program, answering telephone calls and letters, distributing gifts, investigating cases, all on a volunteer basis.

Joe's program is featured on Radio Station W.M.G.M., New York, from midnight to 2:00 A.M. (1050 on your dial) and has recorded listeners from Canada to Florida and as far West as the Mississippi River.

Becoming interested in drug addicts "Big Joe" organized DAA, Drug Addicts Anonymous, patterned after Alcoholics Anonymous, affiliated with the Happiness Exchange Foundation, Inc. Hundreds of unfortunates have been helped and the program is being expanded.

"Big Joe" doesn't want large contributions. He contends that happiness should be shared, not hogged. Once, a wealthy man offered him one thousand dollars following a particular appeal, "Big Joe" refused

RAY CARROLL, New York's "Night Watchman"

Hear Ye! Hear Ye!

Radio would not be complete without music for our listening pleasure; so we invite you to stay awake on the highways—by ways—and all you insomniacs; who are out there. Tune in your "NIGHT WATCHMAN" Ray Carroll on W.M.C.A., New York—570 on the dial from 2 A.M. to 6 A.M., on your local station, every morning except Sunday. Announcements of news—Weather—Time, and such delightful and inspiring music. Staying awake all night is a real pleasure with your host and traveling companion; Ray Carroll.

MEET NEW YORK'S "NIGHT WATCHMAN"

His name's RAY CARROLL. Instead of a "lantern," he carries a stack of records! In place of a "key," he uses a WMCA microphone; And he makes the "rounds" of New York's air waves from 2:00 to 6:00 A.M. every night but Sunday! To thousands of Metropolitan night owls, Watchman Carroll is a pleasant, happy-go-lucky guy who plays the music they want to hear (including special requests) . . . chats with them on the telephone . . . and, for hours, makes life—and work—seem a little easier and a lot more fun! During his musical "tour of duty," Ray runs the gamut of recorded favorites—from the latest jukebox hits to the tunes on the "all-time great" lists—choosing the discs from his tremendous private collection with a true music lover's appreciation of what makes the best wee-hour listening. That record collection, incidentally, is the product of more than ten years of late-night musical broadcasting.

Before joining the WMCA staff, Ray was half of the well-known

"Willie & Ray" duo conducting an "After Hours Session" nightly over Station WHOM. Several years with WHOP, Hopkinsville, Kentucky, WBYN and WWRL-New York, and the Armed Forces Radio Service, round out the broadcasting experience of this veteran 34-year-old entertainer. A graduate of Brooklyn's Boys' High and New York University, Ray is married, has a seven-year-old son, and is an enthusiastic golfer when radio isn't crowding his busy schedule. He also does an occasional column for "Rhythm & Blues" magazine and participates in such community activities as the recent series of Vocational Guidance Lectures for young people at one of Manhattan's Community Centers. Needless to add, it takes a well-developed sense of humor and a relaxed, easy-does-it nature to keep pace with this disc jockey's schedule and fortunately Ray is blessed with both. Which probably explains why Ray Carroll is one of the few people who can keep New Yorkers awake nights—and make them like it!

to accept it. "What right have you to a thousand dollars worth of happiness?" he asked. "I'd rather have a thousand contributions of \$1 each for then I'd be helping a thousand littleguys find even greater happiness."

Joe Rosenfeld recently organized the Samaritans, and has enrolled 1584 folks who pledge one penny a day towards the happiness of others, \$3.65 a year, payable 30c per month. Hundreds who have been helped in one way or another have enrolled in an effort to help others.

God spoke through the lad who said, "He ain't heavy, he's my brother."

BERMUDA

Out in the Mid-Atlantic, south east of the Virginia Capes, beyond the Gulf Stream's flying fish and phosphorus, lie the most famous coral islands in the World. It is the Bermudas . . . less than 20 square miles in size and so formed that in few spots is it possible to get more than a mile away from the sea. The north and south shores are utterly different and might belong to countries hundreds of leagues apart.

The Bermudas, with startling clarity of sunlight, their gentle tropical sea, their special flash of white-washed roofs, pink-tinted walls and flaming poinciana trees, and their island nights glittering with more stars than any other sky in the Atlantic. They are collectively called "Bermuda." Here we find a place of coveted ease, unhurried charm and relaxed living.

Here it may mean building castles in the cleanest pink and white sand on earth, wandering over coral beaches into ocean that is the greenest green, the bluest blue. It may mean cycling along South Shore Road between tall hedges of Oleander, with youngster and picnic lunches safely tucked in a basket on handle bars.

Or it may be the velvety greens and fairways of one of Bermuda's many golf courses. Or where attractive shops show choicest merchandise of the British Empire.

There are many beautifully kept tennis courts, hidden picnic beaches, delightful roads and coral rocks from which a native fisherman's net may be cast, ensnaring everything including prancing sea-horses and mermaids singing! For, like a jewel set in Mid-Atlantic, Bermuda is the wish at sunset and romance is starlight.

HOW DO I GET TO BERMUDA?

You go from one Parish to another by boat, by bicycle, by the small motor car. Everywhere the place is leisurely. The motor car, convenient for visits from one end of the islands to the other, travels (by law) only a few miles faster than average horse and carriage.

You fly by the latest aircraft or

St. Peter's Church, St. Georges

you go by luxury liner. The plane takes a few hours, boats from New York, 35 hours. Departures from Baltimore, Boston, Halifax, Montreal and England. When you make reservations inquire about special rates for children.

CURRENCY

Although sterling is the legal tender in Bermuda, American and Canadian currencies are accepted everywhere. United Kingdom Bank Notes are still not negotiable.

FACTS ABOUT BERMUDA

Entry Requirements—No one requires passports or visas for visits to Bermuda, for periods of less than eight month. United States citizens require some form of identification and proof of citizenship when returning to the U. S. A.

THINGS TO SEE IN BERMUDA
