THE Negro Motorist GREEN BOOK

INTRODUCTION

With the introduction of this travel guide in 1936, it has been our idea to give the Negro traveler information that will keep him from running into difficulties, embarrassments and to make his trips more enjoyable.

The Jewish press has long published information about places that are restricted and there are numerous publications that give the gentile whites all kinds of information. But during these long years of discrimination, before 1936 other guides have been published for the Negro, some are still published, but the majority have gone out of business for various reasons.

In 1936 the Green Book was only a local publication for Metropolitan New York, the response for copies was so great it was turned into a national issue in 1937 to cover the United States. This guide while lacking in many respects was accepted by thousands of travelers. Through the courtesy of the United States Travel Bureau of which Mr. Chas. A. R. McDowell was the collaborator on Negro Affairs, more valuable information was secured. With the two working together, this guide contained the best ideas for the Negro traveler. Year after year it grew until 1941 "PM" one of New York's great white newspapers found out about it. Wrote an article about the guide and praised it highly. At the present time the guide contains 80 pages and lists nu-

merous business places, including whites which cater to the Negro trade.

There are thousands of first class business places that we don't know about and can't list, which would be glad to serve the traveler, but it is hard to secure listings of these places since we can't secure enough agents to send us the information. Each year before we go to press the new information is included in the new edition.

When you are traveling please mention the Green Book, in order that they might know how you found their place of business, as they can see that you are strangers. If they haven't heard about this guide, ask them to get in touch with us so that we might list their place.

If this guide has proved useful to you on your trips, let us know. If not, tell us also as we appreciate your criticisms and ideas in the improvement of this guide from which you benefit.

There will be a day sometime in the near future when this guide will not have to be published. That is when we as a race will have equal opportunities and privileges in the United States. It will be a great day for us to suspend this publication for then we can go wherever we please, and without embarrassment. But until that time comes we shall continue to publish this information for your convenience each year.

The Green Book helps solve your travel problems'

By Wendell P. Alston, Special Representative, Esso Standard Oil Co.

Through the ages, men of all races have moved from place to place. Some to seek new lands, others to avoid persecution or intolerance and still others for the sake of adventure.

Today, men of all races continue to move and for much the same reasons, though since the days of the foot-traveler and the ox-cart, they travel with much more convenience and comfort and at far greater speed.

For most travelers, whether they travel in modern high-speed motor cars, streamlined Diesel-powered trains, luxurious ocean liners or globe encircling planes, there are hotels of all sizes and classes, waiting and competing for their patronage. Pleasure resorts in the mountains and at the sea shore beckon him. Roadside inns and cabins spot the highways and all are available if he has the price.

For some travelers however, the facilities of many of these places are not available, even though they may have the price, and any traveler to whom they are not available, is thereby faced with many and sometimes difficult problems.

The Negro traveler's inconveniences are many and they are increasing because today so many more are traveling, individually and in groups.

This year for the annual convention of the largest Negro organization in the world, nine special trains in addition to the regularly scheduled trains of a number of railroads were required to transport more than fifty thousand of its members to a mid-western city. Several more thousands made the trip by car and some by plane.

Top ranking orchestras and numerous minor ones, concert singers and various musical organizations are moving over the country in increasing numbers. Touring clubs, like the one in the nation's capital which chartered three of the most modern buses of one of the country's largest bus lines for a trip to California and Mexico this year, are growing in number. More students and teachers and many others in the field of education seeking further training in the country's major centers of learning are traveling. More business men, representing increasing Negro enterprises, are traveling from city to city, and more white corporations cognizant of the mounting purchasing power of the Negro consumer, have Negro representatives in the field, a number of whom, like ourselves, spend half the year traveling.

JAMES A. JACKSON (SEATED) AND WENDELL P. ALSTON, SPECIAL REPRESENTATIVES
OF THE ESSO MARKETERS IN THEIR NEW YORK OFFICE

Numerous religious, sorority and fraternity groups travel constantly through the year to quarterly or annual conferences—all faced with the problem of finding suitable places to stay, places to eat and the convenience and comforts which all travelers need and desire.

The GREEN BOOK with its list of hotels, boarding houses, restaurants, beauty shops, barber shops and various other services can most certainly help solve your travel problems. It was the idea of Victor H. Green, the publisher, in introducing the Green Book, to save the travelers of his race as many difficulties and embarrassments as possible.

The many requests we receive for information about it convince us that he has done much to ease the anxieties of the average Negro traveler.

As representatives of the Esso Standard Oil Co., we are pleased to recommend the GREEN BOOK for your travel convenience. Keep one on hand each year and when you are planning your trips, let Esso Touring Service supply you with maps and complete routings, and for real "Happy Motoring"—use Esso Products and Esso Service wherever you find the Esso sign.

Ford'

A precedent has been established in the low-priced automotive field by combining handsomeness and beauty with durability and comfort in the interiors of the 1949 Ford cars.

Ford has broken away from the neutral tones which have been traditional for mass production automobiles as designers have turned to textured fabrics popular in fashions and interior decorating.

Of the three new fabrics, the most unusual is a soft gray tweed mixture with a blue stripe which gives the 1949 Ford interiors a freshly tailored look. It has been combined with a bolster of blue-gray broadcloth to protect the upper section of both front and rear seats.

The clock dial has been centered on the panel and placed higher. Night glare is eliminated on all instruments by "black lighting."

Chrome trim throughout the car has been reduced. On the panel it is expressed in a neat arrangement of uniform knobs which control choke, windshield wiper, lights, heater and defroster.

On each door, the chrome strip makes a decorative arc over the heavy artificial leather kick pad at the bottom. Flame-shaped center pillar lights provide plenty of illumination for the interior and for stepping into and out of the car.

The same tailored good looks are obtained with the other fabrics — a smooth green striped broadcloth and two new adaptations of mohair in a green and maroon stripe and green and gray stripe combination. In proper combination, they complement the new Ford exterior colors such as Sea Mist Green, Birch Gray, Arabian Green and Bayview Blue.

The instrument panel of the new Ford has been simplified. All instruments are combined in a single cluster directly in line with the driver's view. Projecting slightly for better visibility, the large figures on a telescoped dial indicate speed, fuel level, rate of battery charge and oil pressure.

Interior door handles pull up instead of down to open the door. This eliminates the possibility of the car doors swinging open if the handle should be pressed down accidentally.

The new Ford's functionalism has been extended to the roomy seats—57 inches wide in front and 60 inches in the rear, plenty of room for six persons.

New windows demonstrate the new trend. The rear window alone is 88 per cent larger—as large as the ordinary windshield. The windshield is deeper and wider. They give a picture window effect to the entire car and greatly improve all around visibility.

The smooth, flowing lines of the 1949 Ford passenger cars are accented by the simplicity of the air-scoop grille. Fresh air for the pressurized ventilation system also enters through the grille.

The distinctive styling of the 1949 Ford convertible features smooth, flowing contours, full fender-width body and luxurious interior appointments. Completely new, the convertible chassis is doubly reinforced.

No travel guide is ever perfect with the changing conditions, not only in the world, but also in the United States. The listings contained in this guide are given to you just as it is given to us from its source. There is a possibility that the address might be a few numbers out of the way—or the business has moved, so that by the time you receive your guide, start to use it you will find some discrepancies. This is due to the fact, from the time that the guide goes to press until you get it a few months have passed and many changes have taken place in the business world. This we can not help and we don't want you to get the idea that this guide is of no value; we try to have it as correct as possible. Each year these listings are checked before we go to press.

Our guides are published for every one, hence we have supplied you with any number of places in cities and towns so that one can select what they want within their price range. We do not recommend any of these places, although hundreds of them could be. But due to the thousands of listings, it is impossible to inspect all, so we leave it to your decision. We would welcome letters from you giving the name and address of any place that you feel that isn't up to our standards of a first class business place. They will be removed, which would give not only you, but other travelers the benefit of only first class places.

In order that you won't find any difficulty in finding the kind of business that you are looking for, we have placed the listings under their proper classification in cities and towns.

Robbins, Illinois Steps Out In Front

By GEORGE W. SHEPPARD

The fastest growing town in the state of Illinois is one that is OWNED AND OPERATED BY NEGROES.* It is Robbins, Illinois, located seventeen miles from Chicago. Ninety-five per cent of the more than six thousand inhabitants OWN THEIR OWN HOMES.

But Robbins is no "Boom Town." It was founded in 1917 by Thomas J. Kellar and has since experienced a slow but sure growth.

It owes the rapid strides it is making at present to a number of factors. First, perhaps, is the fact that the city of Chicago, like most cities, has an acute housing shortage and its inhabitants, looking for places to live, have been attracted by the many advantages that Robbins offers.

Secondly, the town is a "natural" as a resort. It affords many picnic grounds and is an ideal place for summer outings. Many lakes are close by and inhabitants claim that fishing is good too.

Thirdly, the courage, the foresight and ability of the present mayor, Holis L. Reeves, is bringing good, sound, practical business into the local government. In that way the village is in a good position to cope with the many problems that a fast growing community must face. He is ably assisted by Misses Bertha L. Hendricks, deputy clerk, and Bessie M. Stephens, secretary to the administration. William March is chief of police with thirteen patrolmen working under his direction. Milton A. Robinson is chief of detectives.

The village is run by six trustees in addition to the mayor. They are

Fletcher Tillman, DeWitt Williams, Joseph Moore, Lee Riston and Victor Anderson. Together they have guided the destinies of the community for the last eight years.

National Leaders Started in Robbins

Edward A. Starks, a business man in Robbins for 41 years, recalls that Herman E. Moore, now Federal judge of the Virgin Islands, served as Village attorney.

William L. Dawson, congressman from the First Illinois District, also served the Village as attorney. Mr. Stark states that they helped to set up the legal machinery for the town and that the village owes them a debt of gratitude. Legal business and the courts are conducted by one elected judge, Ernest Lemon; Village attorney. Today there is little crime in Robbins.

No Prejudice and Restrictions

The change that the visitor sees in Robbins now is only of population but of industry. Where there were shelters covered with tar paper, there are homes built of stone, concrete and marble. Water is supplied from the city of Chicago and efforts are being made to increase the supply. Because of the absence of prejudice and restrictions, opportunities for the Negro are unlimited.

There are ten churches of various denominations, one centrally located school of which William E. Jackson is principal and a community high school in the adjoining city of Blue Island. There are sixty places of business and two physicians who serve Robbins; Dr. Waurice Winston, county physician ad Dr. Williams. The Rev.

Matthew Anthony is pastor of Greater Hope Baptist Church, the largest from the standpoint of membership of the ten churches. The court, the city jail and the fire department, headed by Edward Willett, are housed in the administration building.

One Can Play Here, Too!

But all is not work in this throbbing community. There are night spots that would do justic to Chicago or New York's brightest. The oldest and most popular is Walter (Pop) Flowers place. A complete floor show is found at the Apex Club. The Community Club and Grill, operated by Williams Rhodes and Orr is another to which pleasure seekers throng.

The future of Robbins, the full realization of Thomas J. Kellar's dream, is in the hands of the straight thinking citizens who will refuse to get lost in a maze of politics and internal strife and who will continue in office those who are working night and day for its betterment. IT IS WORTH THE TROUBLE TO GO OUT AND TAKE A LOOK AT AN EXPERIMENT OF AN EXHIBITION OF WHAT NEGROES WORKING TOGETHER CAN DO. Indeed, it would not be a bad idea to pitch in and help.

* During the last eight years Robbins built 582 units. Per cent of increase 139.2, according to Real Estate Research Corp. Covering 30 cities and villages.

Bermuda

Out in the Mid-Atlantic, south east of the Virginia Capes, beyond the Gulf Stream's flying fish and phosphorous, lie the most famous coral islands in the World. It is the Bermudas . . . less than 20 square miles in size and so formed that in few spots it is possible to get more than a mile away from the sea. The north and south shores are utterly different and might belong to countries hundreds of leagues apart.

The Bermudas, with startling clarity of sunlight, their gentle tropical sea, their special flash of white washed roofs, pink-tinted walls and flaming poinciana trees, and their island nights glittering with more stars than any other sky in the Atlantic. They are collectively called "Bermuda." Here we find a place of coveted ease, unhurried charm and relaxed living.

Here it may mean building castles in the cleanest pink and white sand on earth, wandering over coral beaches into ocean that is the greenest green, the bluest blue. It may mean cycling along South Shore Road between tall hedges of Oleander, with youngster and picnic lunches safely tucked in a basket on handle bars.

Or it may be the velvety greens and fairways of one of Bermuda's many golf courses. Or where attractive shops show choicest merchandise of the British Empire.

There are many beautifully kept tennis courts, hidden picnic beaches, delightful roads and coral rocks from which a native fisherman's net may be cast, ensnaring everything including prancing sea-horses and mermaids singing! For, like a jewel set in Mid-Atlantic, Bermuda is the wish at sunset and romance is starlight.

You go from one Parish to another by boat, by bicycle, by the small motor car. Everywhere the place is leis-

urely. The motor car, convenient for visits from one end of islands to the other, travels (by law) only a few miles faster than average horse and carriage.

HOW DO I GET TO BERMUDA?

You fly by the latest aircraft or you go by luxury liner. The plane takes a few hours, boats from New York, 35 hours. Departures from Baltimore, Boston, Halifax, Montreal and England. When you make reservations inquire about special rates for children.

SAFE DRIVING RULES

1. Watch out for the driver who crosses the White Line.
2. When the other car passes you, watch out that he doesn't cut in on you.
3. Watch out for the driver who doesn't know any better than to pass on a hill.
4. Even when the light is Green, look out for the reckless driver coming from left or right, who is ignorant that the Red light is against him.
5. Watch the driver ahead — you can't be sure whether or not he'll signal when he turns.
6. Even on highways, look out for parked cars.
7. Watch the car coming down the steep hill towards you. Maybe the driver doesn't know enough to go into second.
8. Don't assume that the other fellow has good brakes.
9. At night look out for pedestrians walking on your side of the highway.
10. On Icy Roads look out! Some drivers don't know any better than to brake suddenly on ice.
11. Going over a hill, be ready for drivers who may be fool hardy as to make a turn across the road.
12. When you are passing, look out for the car that may be suddenly pulling out to pass just ahead of you.
13. Maybe the cop won't catch the car that passes you at 80, but "sudden death" is liable to.
14. On a three lane highway, watch out for the driver who thinks the middle lane is his exclusively.
15. Remember that Junior thinks that the ignition key is something to play with.

Even Off Subways, Negroes Follow the Green Line

If you're traveling you don't have to worry about accommodations—whether this place will take you in or that place will sell you food. That is if you're white and gentle. If you're not, you have to travel a careful route like seeking oasis in a desert.

The Jewish press has long published information about places that are not "restricted." Less is known, however, about the Negro and his problems of this kind.

Five years ago Victor H. Green of 938 St. Nicholas Ave., returned from a motor trip on which he had found Negro discrimination in many places. He decided to do something to make traveling easier.

In the 1941 issue of his *The Negro Motorist Green Book*, he lists more than 450 hotels and 700 tourist homes that will treat Negroes like human beings. Cafes, beauty parlors, restaurants, night clubs are also listed.

This is the book's 8th edition. Each year 15,000 Americans buy a copy so they won't run into embarrassment or danger when they travel.
