FOREWORD

No travel guide is perfect. The changing conditions as all know contribute to this condition.

The listings in this guide are carefully checked, despite this, past experiences have shown that from the time that we check to the time that you use our guide, changes have been made. Therefore, at this point may we emphasize that these listings are printed just as they are presented to us and we would like your cooperation and understanding, that the publishers are not responsible after this check has been made.

If you should experience unpleasant or unsatisfactory service at any of the places listed, you will do your fellow traveler a favor by reporting this place to us.

INFORMATION

In planning your trip or tour, secure a road map from your local service station for the trip that you expect to take. Plan your trip from this map, noting the route and cities that you are to pass through, then you can make note of the accommodations in the cities that you are to pass through in case you might want to stop over. No maps are published in our guide as they would not be legible for your convenience.

DON'T BE DISAPPOINTED—Make reservations in advance. State date of arrival, number of persons in your party adults or children and the number of single or double beds required. After confirmation of your reservation get rates and send one night's lodgings to be certain reservations are held.

FREE TRAVEL IDENTIFICATION CARD

If you haven't received your travel identification kindly send for it. It is your best assurance of being recognized, best of service and courteous treatment.

The publishers make every effort to assure the accuracy of the "Green Book" editorial information, and to maintain the high character of its advertising pages. We cannot however, accept responsibility for inaccuracies in editorial or advertising matter. Where rates are quoted, they are subject to change.

VACATION SECTION

VACATION . . . what a lovely picture the word itself can evoke. A seashore, mountain trail or trout stream, perhaps. So charming you can hardly wait for your vacation to arrive.

It goes without saying, you want to read "WELCOME" in the smiles of those that you visit. The lodgings of your choice is waiting for you after a long day's ride. This section is designed so that you might make your selection from the many VACATION RESORTS listed. Write to the resort of your choice to secure their rates, to see if you can be accommodated. Some resorts have folders which they will be glad to send you. Tell them that you saw their listing in the GREEN BOOK. This helps us to sell more ad space so that we can give you more information about their place.

Our advertisers are ready and willing to make your vacation the most enjoyable you have ever had. For complete confidence in making the best decisions . . . WHERE TO GO . . . WHERE TO STOP. We recommend that you make your reservations with the "Advertisers of THE NEGRO TRAVELERS' GREEN BOOK."

HOW TO GUARD YOUR HOME DURING THE VACATION SEASON

A Few Suggestions from the Publisher

Keep the thief away from your door while you are on vacation. Here are a few practical hints to assure a worry-free holiday trip:

1. Tell your neighbors that you are going away and give one of them a key to your home.
2. Have milk and newspaper deliveries discontinued.
3. Arrange to have your mail held or picked up by a neighbor.
4. Do not completely draw your drapes or blinds. It's an invitation to prowlers.
5. Attach several lights to automatic timers. Lights then go on and off automatically, giving your home that "live-in" look.
6. Make sure all locks are in good working order and that all windows are bolted.
7. When you depart on your trip, check the doors once more and make certain the key is not still in the lock.
8. Close and lock your garage doors.
9. Notify police of your intended absence. They will make periodic checks.
10. Insure the valuables you take with you. The cost is small and the risk of loss of thief is always present.
11. Jewelry and valuables should be put in the hotel vault if you will be away from your room for any length of time.

These are simple rules to follow. And followed, they'll go a long way toward giving you the full measure of pleasure you expect on your trip.
